Please show the project name here

I created the Hello World Sample within Demo Project.
But it is being shown in Test project and Demo project

Previous project

Project List

Add

#	Title	Description	Summary	Active	Complete	Action
1	Test Project	This is the second project		true	true	<div>ViewEditDelete</div>
2	Demo Project	This is a Demo Project		true	true	<div>ViewEditDelete</div>

A button here to take to the excel spreadsheet like view, where the users can look at the status of all samples.

Essentially a webview of the .csv file

Please add a prompt before being able to delete it. So people don't accidentally delete a whole project
